J Brooklyn Social's Girls Night Out, The Ultimate Shopping Event, took place on Thursday, November 20th at Dyker Golf Course. Three-hundred women shopped the latest trends at the semi-annual event. Main sponsor Mercedes Benz of Brooklyn and salon sponsors Da Noi on Fifth Salon and Spa from Bay Ridge showcased the latest in hair and makeup styling with a "High-Energy Fashion Show & Photo Shoot" where models received special treatments and then rocked the runway in customized rebel themes.

Other Sponsors included Investors Bank, Car2go, HINT, Century 21, Quest Nutrition, All Seasons Floral, Music by Trio Productions, with event graphics and photography provided by A George Design, Inc.

NYC's Bravest, representing the 2015 FDNY Calendar, also signed on for the event, which concluded with a raffle that raised funds for TEAL (Tell Every Amazing Lady) a Brooklyn-based organization committed to eradicating ovarian cancer, and which culminates in its signature TEAL Walk fundraiser.

J Brooklyn Social, which specializes in celebrating the borough—and networking and marketing in often unexpected but always fun ways—will celebrate its fifth anniversary party on Thursday, April 30. For more information, visit jbrooklynsocial.com •
